

Your Trusted B2B Partner for Clean  
Label Foods & Private Label Solutions

# About Us

At Nourp, we connect global and domestic businesses with premium food solutions through a trusted network of certified manufacturing partners across India.

We specialize in clean-label snacks, millets, Foxnuts, freeze-dried foods, and customized private-label products tailored to diverse market needs.

Driven by quality, innovation, and reliability, we deliver scalable food solutions with flexible packaging, consistent supply, and export-ready standards.
